WASHINGTON, D.C. -- **NATIONAL DEFENSE PAC** today announces with extreme pride its endorsement of [Micah Edmond](#), former Marine, to represent [Virginia's 8th Congressional District](#). **NATIONAL DEFENSE PAC Chairman Rear Admiral James J. Carey, USN (ret)** stated, "We are excited that Micah Edmond has entered this race. His sterling credentials as a recognized expert on the U.S. Defense Department's budget makes him the logical choice to represent the 8th District of Virginia that is so impacted by the spending of the military complex. His experience of serving our country in the Marine Corps has instilled in him the leadership that is sorely lacking in Congress. And while at the Pentagon, he has learned how to work with Republican and Democrat legislators to identify solutions to our fiscal deficit and debt issues. Micah Edmond is totally prepared for his future role in Congress."

While studying at Williams College, Edmond enlisted as an airman in the Massachusetts Air National Guard. After graduation, he joined the United States Marine Corps, where he served eight years as a Marine Corps officer. He had two consecutive overseas tours and was the speechwriter for the Marine Corps commandant. During his last tour at the Pentagon, Micah worked with senior members on the House Armed Service Committee. His medals and awards include the Navy and Marine Corps Medal; Navy and Marine Corps Commendation Medal; Global War on Terrorism Service Medal; National Defense Service Medal (2nd Award); Korean Defense Service Medal; and the Sea Service Deployment Ribbon (4th Award).
