NATIONAL DEFENSE POLITICAL ACTION COMMITTEE (NDPAC) ENDORSEMENT

Endorsement of Sam Anders, Candidate for The United States Congress, 3rd District (GA)

NATIONAL DEFENSE PAC today announces with great pride its endorsement of Sam Anders to represent the State of Georgia, 3rd District, in the United States Congress. Sam's military career spans 16 years so far, and he is currently a drilling Reservist in the United States Air Force Reserve. He deployed to Kyrgyzstan in support of Operation Enduring Freedom. He hopes to serve in the Air Force for a full 30-year career if possible.

NATIONAL DEFENSE PAC Chairman Rear Admiral James J. Carey, USN (ret) stated, "Sam is an outstanding example of the citizen soldier that this country has come to depend on so much. He balances an impressive Air Force Reserve career with a full time job and a young family. Despite this full schedule, he is now eagerly taking on the task of running for Congress in order to further address his concerns about strengthening our military and securing our borders. He is highly concerned that our country's weak leadership is greatly damaging our national security. America desperately

needs citizens of Sam's caliber in the Congress, and it is why I support his campaign."

Mr. Anders recently stated "I am honored to receive the endorsement of the National Defense PAC in my candidacy for the United States Congress. As a veteran of Operation Enduring Freedom and an actively drilling Air Force Reservist, I am committed to representing the needs of our current and former military personnel and their families. A strong national defense is a critical element in our national security, and without strong leadership we cannot revitalize the Armed Forces and get back to properly protecting our fellow citizens. I look forward to serving my community with the same level of honor, integrity and selflessness with which I have served my country."

As the Executive Director of the National Defense Political Action Committee, Captain Walt Steiner, U.S. Navy (Retired) observed, "Sam Anders epitomizes the noble character embodied in Winston Churchill's famous quote that military reservists are 'Twice a Citizen'! Sam's extensive active duty and reserve military service imparts a special knowledge and experience in Defense issues that cannot be earned in the civilian world. As we have such a dearth of military background in our Representatives in the present Congress, the election of Sam Anders in 2016 will significantly enhance our national security, and make all of us safer and our way of life more secure!"
